RESPONSIBILITIES

Career Counselor

Conducted career counseling sessions for grade IX and X to guide students in identifying their strengths, interests, and potential career paths.

Provided insights into various professions, educational opportunities, and skill development to help students make informed decisions about their futures.

Helped students build essential career skills such as resume writing, interview preparation, and goal setting.

CBSE Head

Oversee and manage CBSE-related activities, ensuring compliance with board guidelines and regulations.

Coordinate with teachers, students, and parents to ensure smooth implementation of CBSE curriculum and assessments.

Monitor the preparation and submission of records, reports, and exam-related materials, ensuring accuracy and timeliness.

Provide leadership in training staff on CBSE-specific policies and best practices to maintain academic excellence.

TRAINING

● Symphony of learning: creating harmony in classroom
Participated in a professional development workshop focused on creating a harmonious and collaborative classroom environment. Gained insights into innovative teaching strategies, fostering student engagement, and improving classroom dynamics. Collaborated with fellow educators to implement effective techniques for a positive learning experience

● PoSH training

Completed PoSH training to understand and promote a safe, respectful, and inclusive environment in educational settings. Gained knowledge of legal frameworks, best practices, and proactive measures to prevent and address sexual harassment.

● Manthan: empower to elevate

Participated in a program aimed at enhancing subject knowledge and integrating AI tools into teaching practices. Gained insights into leveraging AI for personalized learning and improving student outcomes.

● Inclusive Education Cell

Engaged in initiatives to promote inclusive education practices, ensuring all students, regardless of ability or background, have equal access to learning.

Learned strategies to adapt teaching methods, classroom resources, and assessments to support diverse learners, including those with special needs. TLA

Actively involved in the design and use of innovative teaching learning aids to enhance student engagement and understanding.

Utilized a variety of visual, auditory, and tactile resources, including digital tools and manipulatives, to support diverse learning styles.

Focused on creating interactive, student-centered lessons that promote active learning and conceptual clarity.

● Classroom Management Strategies

Gained expertise in effective classroom management techniques to create a positive and disciplined learning environment.

Learned strategies for maintaining student engagement, managing diverse behaviors, and promoting respect and collaboration in the classroom.

Applied practical tools to foster a productive atmosphere, reduce disruptions, and enhance overall student performance.
