

Dear Sir/Ma'am,

Subject : Application for the post of PGT Physics.

The peregrination of 7 years encompassing of administrative and academic experiences which included overall management and supervision of the Science Department including supervision and evaluation of classified staff as defined by the Principal.

I am qualified educational professional with **B.E (Electrical and electronics)** and **B.Ed.** My current role as **HOD SCIENCE DEPARTMENT** includes smooth working, completion of the prescribed syllabus, conduction of unit tests, managing of lab and taking proper feedback from student and teacher. My job profile also extends to manage and take remedial classes for slow learners.

Further responsibilities are to address issues, situations, problems, and/or conflicts that could negatively impact the psychology of slow learners.

A brief glimpse of teaching experience comprehends handling Physics for Class IX to XII (C.B.S.E).

I am looking forward for a suitable position in continuance of my career. With a keen desire for rapid career growth, I wish to do valuable contribution and excellence task for the betterment of your institute. I am sure; I would be able to prove myself worthy of your choice and I would welcome the opportunity of discussing more about myself in person.

Thanks and Regards

Sunil Kumar Pal.
